**Gather Your Light Around**

by Matt Meyer

**Chorus:**

**Gather your light around, Gather your light around!**

**Gather your light around, Bring all, all that you are.**

Don't leave your broken heart at the door.

Don't leave your broken heart at the door.

Bring it with you, bring it with you.

To the altar of life.

**Chorus**

Bring your joy, bring your passion.

Bring your courage and your conviction.

Bring them with you, bring them with you.

To the altar of life.

**Chorus**

Bring your healing and your need to be healed.

Bring your healing and your need to be healed.

Bring them with you, bring them with you.

There is work, work here to do.

**Chorus (3X)**

## ***One More Step***

Words & Music by Joyce Poley

One more step, we will take one more step,  
'til there is peace for us and everyone,  
we'll take one more step.

One more word, we will say one more word,  
'til every word is heard by everyone,  
we'll say one more word.

One more prayer, we will say one more prayer,  
'til every prayer is shared by everyone,  
We'll say one more prayer.

One more song, we will sing one more song,  
'til every song is sung by everyone,  
we'll sing one more song.

## *I Am Willing*

by Holly Near

I am open and I am willing  
To be hopeless would seem so strange  
It dishonors those who go before us  
So lift me up to the light of change

There is hurting in my family  
There is sorrow in my town  
There is panic in the nation  
There is wailing the whole world round

May the children see more clearly  
May the elders be more wise  
May the winds of change caress us  
Even though it burns our eyes

Give me a mighty oak to hold my confusion  
Give me a desert to hold my fears  
Give me a sunset to hold my wonder  
Give me an ocean to hold my tears
