### **Grace Before Sleep**

Sara Teasdale

How can our minds and bodies be  
Grateful enough that we have spent  
Here in this generous room, we three,  
This evening of content?  
Each one of us has walked through storm  
And fled the wolves along the road;  
But here the hearth is wide and warm,  
And for this shelter and this light  
Accept, O Lord, our thanks tonight.

# Gather the Spirit

Words & music: Jim Scott

Gather the spirit, harvest the power.  
Our sep'rate fires will kindle one flame.  
Witness the mystery of this hour.  
Our trials in this light appear all the same.

Chorus:

Gather in peace, gather in thanks.  
Gather in sympathy now and then.  
Gather in hope, compassion and strength.  
Gather to celebrate once again.

Gather the spirit of heart and mind.  
Seeds for the sowing are laid in store.  
Nurtured in love, and conscience refined,  
with body and spirit united once more.

Chorus

Gather the spirit growing in all,  
drawn by the moon and fed by the sun.  
Winter to spring, and summer to fall,  
the chorus of life resounding as one.

Chorus

## **Blessed Spirit of My Life**

Words & music: Shelley Jackson Denham

Blessed Spirit of my life, give me strength through stress and strife;  
help me live with dignity; let me know serenity.

Fill me with a vision, clear my mind of fear and confusion.

When my thoughts flow restlessly, let peace find a home in me.

Spirit of great mystery, hear the still, small voice in me.

Help me live my wordless creed as I comfort those in need.

Fill me with compassion, be the source of my intuition.

Then, when life is done for me, let love be my legacy.

## Let It Be a Dance

Words & music: Ric Masten; arr. by Betty A. Wylder

Chorus:

Let it be a dance we do.  
May I have this dance with you?  
Through the good times and the bad times, too,  
let it be a dance.

Let a dancing song be heard.  
Play the music, say the words,  
and fill the sky with sailing birds.  
Let it be a dance.  
Let it be a dance. Let it be a dance.  
Learn to follow, learn to lead,  
feel the rhythm, fill the need  
to reap the harvest, plant the seed.  
Let it be a dance.

Chorus

Everybody turn and spin,  
let your body learn to bend,  
and, like a willow with the wind,  
let it be a dance.  
Let it be a dance. Let it be a dance.  
A child is born, the old must die;  
a time for joy, a time to cry.  
Take it as it passes by.  
Let it be a dance.

Chorus

Morning star comes out at night,  
without the dark there is no light.  
If nothing's wrong, then nothing's right.  
Let it be a dance.  
Let it be a dance. Let it be a dance.  
Let the sun shine, let it rain;  
share the laughter, bear the pain,  
and round and round we go again.  
Let it be a dance.
