## RELIGIOUS EXPLORATION

This year we all worked together, even the adolescents, to "Build Bears of Wholeness." We built teddy bears together and took them out monthly to add badges representing parts of our learning and our values. The badges included "Grow your Dreams," "Listen to Life," "Fostering Community" and "Share Your Blessings." Everyone received bears, everyone received badges and everyone shared ideas and values about what went into being a whole person.

The Youth Group met and started a mural that had the elements of "Air, Earth, Water and Fire" as part of the "Sing to the Power" curriculum. We shared songs that supported the values we learned each week such as "community" and "kindness."
